

## The Home Office Helper

(since it's the holidays...we're going to "help" with some of our favorite tech toys!!!)

### A Notebook for the DC Comics Fan

The *Superman Returns* DVD is now on store shelves. If you have someone on your holiday shopping list that is a big fan—how about a notebook built "just" for them? From Alienware—check out the Superman Returns Edition Notebook!

Volume 1, Issue 33, December, 2006

### Need a Quieter Holiday?

Looking to escape the madness? Bose's QuietComfort 3 Acoustic Noise cancelling Headphones are just the ticket. Quiet, light and delivering great sound.

### "Networked" Audio for the "Discerning" Listener

Many music lovers have been disappointed by the audio quality of most "consumer" streaming audio equipment. They won't be by Slim Devices Transporter. It's "bit perfect" in the digital world and uses the AK4396 DAC to deliver high dynamic range and low distortion audio. Maybe "networked" audio IS available for the audiophile!

[More Details](#)

### For Golfers ONLY

Golf is a preoccupation at Home Office Reports—and our "tech toy" for the golfer in the house is Qmotions-Golf Full Motion Game Controller. It's a trainer and a simulator and works with any number of existing computer golf games!

### "Sling" Your Video

Watch video from your set top box, satellite receiver, DVR, DVD player, video, security camera, TV antenna, or other video source—ANYWHERE. Slink Media' Slingbox PRO makes it happen—and it can support HD components as well!

### We Love iPod "2"

Yup, we love iPod too—but the iPod we like best is the 30GB iPod U2. Jet black, red Apple Click Wheel and autographs from U2 band members. O.k, it's not *really* the autographs we like—but this iPod looks great!
